Govt orders issued in such cases should not be viewed as a matter of course what is the specific meritorious work the Officer has done in order to condone the punishment. Frequent modifications of Govts in Anti-corruption cases will adversely affect the salutary effects intended to be produced & therefore do not agree with the D S G M's view. Subject:- Representation of Sri.M.Swaminathan, Ex-Superintendent of Octroi & Toll.

L-HAS

In enclosing herewith the representation of Sri.M.Swaminat I write to state as follows:-

Government in their order No.L.9906 dated 29th December 1950 have reverted Sri.M.Swaminathan as Ist Division Clerk from the post of Octroi Superintendent and have further ordered that his increments and promotions be withheld for a period of three years from 29th December 1950 He has now represented that his case may be reconsidered, and if it is not possible, the remaining period of one year from 29th December 1952 at least be condoned and he be restored to his original post of Octroi Superintendent or any other post of similar grade This official has suffered for two years the after effects of the Government Order in question His work for these two years has been watched and he has not given room for any complaints. Considering his long service and his past & present good work, I recommend that the remaining period of one year(out of the three years mentioned in the Government Order in question) from 29th December 1952 be condoned

Early orders in this behalf are requested

Forwarded with compliments

COMMISSIONER.

In person

To

The Commissioner,
Corporation of the City of Bangalore,
Bangalore.

Sir,

I was the Octroi Superintendent of the City Area from 1-4-1947 to 22-12-1948, and on grounds of alleged corrupt practices, I was reverted as Loan Clerk in grade 60-5-90/E.B.6-150 in Government Order No.L.9906 dated 29-12-1950 with a further direction that my increments and promotions should be with-held for a period of three years from the date of Government Order. My subsequent representation for a reconsideration of the above orders was turned down by Government. And again I beg to represent that my case may kindly be reconsidered. If it is not possible I beg to submit that I have already suffered the after-effects of the above order for two years and in view of my good work for these two years the remaining portion of one year may be condoned

In this connection, I beg to submit that I was selected as Octroi Superintendent by the erstwhile City Municipal Council in consideration of my loyal and sincere service of 12 years in the Municipality. Though I am an M.A., in English Literature, I was drawing only Rs 60/- for want of opportunities to give me higher pay, and just when I got a lift in Service, I was hard hit by this blow

This blow fell on me just when there was revision of grades of the several Posts of Officers with the result I was deprived of those chances I have put in a total service of 22 years(5 years in the Revenue Department and 17 years in the Municipality of which

which 11 years as Council Clerk) and throughout, my service has been a long unblemished record, appreciated by one and all of the Officers whom I had the good fortune to serve Even when I was Octroi Superintendent, I have worked very diligently and honestly, and the collections during my - period were the highest in the history of the Municipality (about 22 lakhs for a period of 21 months, when most of the articles which are now dutiable, were not brought under Octroi).

Sir, the Government Order, if not reconsidered will practically block my official career Many of my juniors have gone above me and are became my seniors. I request you to kindly take pity on a poor official and recommend to Government that the remaining period of one year in the punishment awarded to me may be condoned and I may be restored to my place as Octroi Superintendent or any other place of similar grade

Hoping that my humble prayer will meet with your support and praying for long life.

I beg to remain,
Sir,
Your most obedient Servant
M Swamiah
